Publishable Executive Summary

This document describes the Dissemination Plan to maximise the potential impact of the Fit-4-AMandA project results that will be developed.

The comprehensive dissemination plan will complement the exploitation plan. The plan contains communication measures, activities and tools following the European Commission guide Communicating EU Research and Innovation – A guide for project participants

This dissemination plan describes the implementation strategy of the dissemination of the Fit-4-AMandA project, during and the plan after the project runtime. This document also describes the target audience, how that audience will be reached and when it will be reached. Here are also included the procedure for dissemination as agreed in the Fit-4-AMandA Consortium Agreement.
