Deliverable No.	Fit-4-AMandA D8.4	
Deliverable Title	Annual data reporting for the FCH Knowledge Management Tool (Year 3)	
Deliverable Date	2019-06-30	
Deliverable Type	REPORT	

Publishable Executive Summary

The deliverable D8.4 - Annual data reporting for the FCH Knowledge Management Tool (Year 3) provides a short data-set about a baseline FC system. This data-set was provided to the FCH JU according to a specific questionnaire through the TRUST (Technology Reporting Using Structured Templates) submission system.

The deliverable D8.4 also provides a concise summary of the general activities carried out in the second year of Fit-4-AMandA. No relevant deviations from the work plan were registered in this period as well as no significant issues were observed. The project is progressing well towards its general objectives. The deliverables planned for this period were submitted to the FCH JU. Relevant milestones for the specific period were achieved. The project activities were widely disseminated through the project web-site, newsletters, participation to conferences and publications in scientific journals.
